Pathway to Becoming Certified

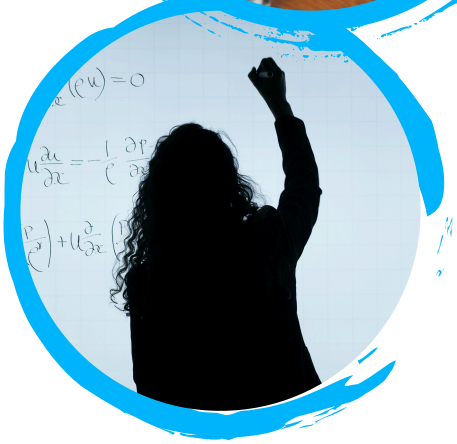

Enroll

After acceptance into the program, join the cohort and start your online coursework to engage in foundational pedagogical skills and knowledge

Pre-Service

As you progress in coursework, you and your fellow cohort colleagues will get real-time experience in a ResponsiveEd classroom with students

Internship

Once you've completed your Pre-Service and program requirements, you can begin your internship year in the program as a full-time teacher on a ResponsiveEd TCPA campus.

Certification

With the successful completion of your year-long internship, program requirements, and TExES exams, you will apply and earn your Standard Texas Teacher Certificate

info@180epp.com
www.responsiveed180.com

Certification Areas

As a candidate within the ResponsiveEd 180 EPP, you will work towards earning one (1) of the following Texas teacher certifications:

- **Mathematics 4-8**
- **Science 4-8**
- **Core Subjects with Science of Teaching Reading: EC – 6**

All candidates in the program will complete certification requirements for the English as a Second Language (ESL) Supplemental certification ***in addition to*** their chosen content-specific certification area.
